

Bank celebrates 16th Anniversary

5 September 2014

Saharanpur - 5th Sept. : It seems only yesterday when Shivalik Bank had started its first branch on 5th Sept. 1998 at Ansari Road, Saharanpur. Relying on the excellent image and social reputation of the promoters, the bank started moving ahead with confidence and even earned profit at the end of 1st year!

However, today, when Shivalik Bank is a multi-state cooperative bank and has spread its wings far and wide, Bank welcomed and honoured its oldest customers who have been banking with it ever since.

Chairman of the bank, Er. Yashvir Kumar Gupta and CEO Mr. Suveer Kumar Gupta welcomed all and sundry. Speaking on the occasion, Mr. Avnish Garg, an old customer of the bank expressed his feelings in poetic manner :

“05 सितम्बर 1998 को हुई शुरुआत, ऐसा लगता है जैसे कल की ही हो बात!

विश्वसनीय प्रबन्धन और शानदार स्टाफ, ये बातें ही बनाती है शिवालिक बैंक को सबसे खास यहाँ आकर लगता है जैसे अपना हो परिवार, फिर चाहे वह सोमवार हो चाहे हो रविवार”

Shri Shobha Ram Singhal, associated with the bank since its conception felt that the immense success of the bank can be attributed to two major factors - personal reputation of the promoters and hard-work and sincere efforts by the staff.

Prominent environmentalist Dr. S.K. Upadhyay (Ex-HOD, Botany Department, M.S. College, Saharanpur) expressed his amazement at the fast growth in bank and specially upgradation in its services. ATM-cum-Debit Cards, e-banking, fully CBS environment, SMS alerts etc., give the feeling

that we were dealing with some bank of international stature. The excellent behaviour and sincerity of the staff can hardly be found anywhere else.

Speaking about the bank, Mr. Suveer Kumar Gupta attributed the success of the bank to the unwavering support of the customers of the bank who might have started dealing with us on test-run basis, giving us a small savings bank account, but soon shifted whole-heartedly to bank with us. The CEO assured that the bank would continue to enthrall its customers with state-of-the art technology and continuous upgrades in its services. Foreign exchange, internet banking, online shopping are the items on our immediate agenda. He also hoped that the bank would soon get permission to open its branches in Himachal Pradesh, Haryana, Uttarakhand, Rajasthan, Delhi and Chandigarh also.

With its 21 branches and 10 BC offices, the bank is catering to nearly 1 lac customers and has become a great instrument of economic upliftment of the society. All other branches of the bank are celebrating the occasion of 16th anniversary in the company of their customers.
