

Earn Upto 7% p.a. interest in your Savings Bank Account

8 April 2015

Shivalik Bank is pleased to announce revision of interest rates in its Savings Bank account. Now you can, depending upon your credit balance in SB Account, can earn upto 7% p.a. interest on your balance lying in your Savings bank account. Thus, you can now enjoy liquidity of your funds while getting higher interest income on your money.

The changes in SB interest rate structure have come into effect w.e.f. 6th April 2015. For more details, please contact your nearest branch of Shivalik Bank.
